Points of Discussion and Agreement:

A . The division will go 40 & Over Exclusively, no exception including REJECTS.

B . September 1 is the cut-off date therefore to be eligible to play under this division, all players must be born on or before September 1, 2014, no exception .

C . Uniforms, all players must wear a complete uniform (top & bottom), no exception .
No more technical fouls on non-complete uniform.

D . Zero Tolerance on Fighting, you fight then you are gone for the season. Referee(s) has the discretion or has the final say in any disqualification. In case of any fight or altercation not seen by the referee(s), the PBAM officer(s) in charge of that game/day has the right to confront the referee(s) and express their point of view. This will apply to all players, coaches and managers alike. No suspensions on top scores.

E . Only the registered team members are allowed to occupy the bench, no exception. In case of a bench clearing of both teams, no teams will be declared a winner and a loss record on both teams will be applied regardless of the score. In case of a fight, it was agreed that it is the responsibility first and foremost of each team to keep all team members on the bench and off the court, any failure warrants stiff penalties and expulsions from the league to be rendered by the referee(s) and PBAM officers.

F . Team Roster and Player Official Line up must be double check by all coaches and managers of respective teams before submitting to the PBAM. Any wrongdoing or falsification detected from the official line up or team roster will result to suspension of the coach and manager of the subject team for the rest of the year but no fines. No exception. November 1, 2014 is the last day for line up submission.

The division convenor has the right to check any suspected players for verification at any given time.

G. Officiating – Use of Referee(s), it was decided by all that the division will use one (1) local referee only during the regular season but will use two (2) MMBRA carded referees in the playoff run. Local Filipino referees are allowed to officiate.

H. Team Standing – Championship Format: Top seed versus low seed all the way, bracketing format not applicable.

I. League Fees : To be determined based on the number of teams entered, must pay half of the agreed registration fees including the 50.00 bond default fee to be deducted from the defaulting team and to be replenished before the team’s next game. 20.00 will go to the PBAM and the 30.00 to the non-default opposing team.

J. Division team representatives (2 from each team) + the division convenor will serve as the “Division Committee” responsible for any changes and will address all issues or complaints within the division. In case of a tie in votes, the division convenor will cast the final vote to break the deadlock.

K. Four (4) teams decided to play on the opening day, LASALLE/DOUGLAS, LUCKY GUYS, BANNA & PAAWIS.

L. So far two teams from last year has no entry, FCE and Bulls. Rejects will field a team but with some conditions like younger players who just want to play but not competitive. LaSalle requested that all of their scheduled games be after 1:00 PM. to avoid conflict with their weekend practices. Noel Tejada said that the SouthShore group (FCCSS) is interested to field a team, division to be determined.

M. The meeting started at around 2:15 PM and was adjourned at around 3:45 PM
